## Course Policy

I will detail the policy for this course below. Basically, don't cheat and try to learn stuff. Don't be that guy.

## Grading Policy

- 20% of your grade will be determined by a midterm during normal class hours.
- 20% of your grade will be determined by a term paper that documents your appreciation of Foghat's "Slow Ride", the most important song ever written. "Slow Ride" is what Mozart wishes *Don Giovanni* could have been.
- 10% of your grade will be determined by your attendance and participation in class. Generally, ask questions and answer them.

- 20% of your grade will be determined by a 20-page term paper on when exactly “The Love Boat” jumped the proverbial shark. You will address whether this shark-jumping can be attributed to Ted McGinley, the introduction of Jill Whelan as “Vicki”, or some other cause.
- 30% of your grade will be determined by a final exam.
